To the Members of Auxiliary Post 1148

Recently we have come up against issues we need your help with. Our data base is outdated and updating it will require your input. We are called upon to provide food for funeral dinners for members at various locations in Bowling Green but our phone contacts are no longer accurate. We would like to hear from you if you would be willing to help on the occasional need for food donations for the funeral dinners.

We also need to have a better, more updated, way to contact our members for meeting updates, events the Auxiliary is needed at, or just to have you submit ideas on how we can better serve our Veterans and members of the Auxiliary. Fund raisers are always needed as our income is limited and new ideas/donations would be most appreciated. If you have an idea, please let us know.

Our Commander Dick Zulch and his wife (our Jr. Vice President) Gwen have been manning the kitchen providing meals during the week and at special events. If you would be interested in possibly doing a small meal on a Friday or Saturday lunch, please contact the Post (419) 353-6371 and leave your name and number for us to call you back.

We hope that you will be willing to become involved in our Auxiliary. We have gained 15 new members in the last year and would like to see this turn into a positive for our organization. In the past years, we have been struggling to keep our Auxiliary going. If you could mark the meetings on your calendar, even just a few, and come with your ideas ready we believe a new and better organization can be achieved.

So please submit any of the following contact information to the Membership Chairperson: Deb Hermiller at Paul C. Ladd Post 1148, 719 S. Main Street, Bowling Green, OH 43402 so we can update your information and come up with a better communication process. This will also allow Deb to keep your information accurate at the National level so you don't miss out on any information they may mail out.

Thank you for taking the time to consider your participation in OUR Auxiliary. No one person can do this by themselves. WE are an organization that needs our membership to be a part of our ongoing decisions. God Bless.
